Applicant thanks Examiner Khanh V. Nguyen, of the patent office, for granting and attending a telephone interview, with the Applicants' representative, Vladimir Sherman (Reg. No. 43,116) on May 30, 2001. Pursuant to the Examiner's request, Applicant is submitting this letter summarizing and putting on the record Applicant's verbal statement that the various embodiments described in the specification and shown in figures 1A, 1B, 2A, 2B, 3 and 4 all relate to a single invention, namely an "RF Power Amplifier and Method for Improving the Efficiency Thereof". The various figures show the invention, or portions thereof, being used as part of amplifiers in different frequency ranges and in different configuration.

Upon reviewing this written Response/Interview Summary, and in accordance with the Examiner's statements made during the interview, Applicant respectfully requests that the Examiner withdraw his restriction requirement.

Respectfully submitted,

Vladimir Sherman
